LETTER

This is in response to receipt of the filing receipt dated 05/03/01. Please make the following correction to the receipt:

Correct the total claims to: 43

This correction is marked in red on the attached filing receipt copy.

Note, the application was filed on January 29, 2001 with 32 claims, including 4 independent claims. A preliminary amendment was filed on February 26, 2001, which included 43 claims to be substituted for claims 1-32 as originally filed.

Applicant's attorney notes that the Notice to File Missing Parts issued with the filing receipt requires payment of a filing fee for a total of 43 claims, indicating that the PTO has

received and recognized the substitute claims filed in the preliminary amendment.

It is respectfully requested that a corrected filing receipt be promptly issued that acknowledges 43 total claims having been filed in the subject application.

Respectfully submitted,
